

Kathleen

Music: VENcE – lyrics: Jos de Vries

Cm

You were waiting for change

But she never smiled back

G7

The money didn't come

You were about to lose track

Cm

All the things you used to weigh

You can lift with your toes

G7

You're about to tell the world

What no one else knows

Cm

And you couldn't talk back

And you didn't find ground

G7

To dig the deep holes and to bury that sound

Eb Bb

Oh Kathleen Kathleen Kathleen Kathleen

Ab Eb

Write some songs for me

Eb Bb

Kathleen Kathleen Kathleen Kathleen

Ab Eb

You have been holding out on me

Cm

Now it feels good to be lonely

Me and my bottled friend

G7

We'll stand our ground

And search till the end

Cm

For what ever comes close

To what you may call truth

G7

I dream and I dream

While I know that I should be with...
